

# The Ballad

## Testament

I'm not one to say  
Where my feelings are going when they wither away  
I pray to see another day  
My heart's feeling like a needle lost in the hay  
Restrained to meet again  
My friend do you think that we ever will  
I know we are free...

The games are played with your life on the line  
Some lose, you win if you keep on trying  
I don't mind doing the time, I'm happier being alive  
Now I know the truth is your own most sacred lesson I've ever l  
earned  
I know we are free...

I've been robbed, I've been fooled  
I intent now to make my own rules  
Dagger's edge cut the life, I've been down that road  
Too many times  
What's to fear. fear no more,  
Show my conscience what fear's for  
Now I know this is so real  
What's done is done so do as you will!

I'm keeping alive! Go on, no don't look back  
Just realise where you've gone.  
Where are you going to, no life's not done wit you  
You've only just begun, to live your life, for you...
