

# The Legacy

## Testament

We're gonna take you back  
Through the pages of the past  
Just another lonely boy

I could laugh and play  
And live in any other way  
Then the devil took my soul

The fortune and the fame  
I knew I was not the same  
And I know I'd never return

Looking at the sky  
I knew I would never die  
And forever shining through

Wish the sky would say  
That blue would turn to grey  
And I know I'd be there

Like was like a fantasy  
Taken by reality  
Does anyone remember me  
You once knew me

Flashes of the day  
I knew I was here to stay  
But no one stays the same

Turn the pages back in time  
Through the chapters in my mind  
Life's too short to leave behind  
It's too late

Like was like a fantasy  
Taken by reality  
Does anyone remember me  
You once knew me

Flashes of the day  
I knew I was here to stay  
But no one  
Knows my name
