

Brown Eyed Girl

Tevin Campbell

Brown eyed girl, come walk with me
Brown eyed girl, come talk with me
I wanna do all the things in love a man should do
All the little things you want me to

Brown eyed girl
Brown eyed girl

Brown eyed girl, now do you know
Brown eyed girl that I love you so?
My whole life through I've been waiting for a girl like you
Someone I can give sweet kisses to

Brown eyed girl
Brown eyed girl

If you leave me I'll go crazy
'Cause I wanna be just where you are, baby
At night I pray we'll stay together until forever
Until forever, baby, yeah
Yeah

Brown eyed girl, come walk with me
Brown eyed girl, come talk with me
I wanna do all the things in love a man should do
All the little things you want me to, baby

Brown eyed girl
Brown eyed girl, oh yeah

Brown eyed girl, oh yeah
Brown eyed girl

Brown eyed girl
