

Don't Throw Your Life Away

Tevin Campbell

Hmm, don't throw your life away
Think about tomorrow and all of the things a new day brings
Think about the joy you feel to wake up in the morning
You see it's all the same, the sun and the rain
So don't throw your life away
(Don't throw your life away)

We live in world full of trouble
But that doesn't mean you can't make it on your own
Take pride in all the things you have achieved in life
And don't you look down on, on yourself
(Oh-no)

The way of the world, so cold I know
You have the right to live and fight
(Yes, you do)
But that doesn't mean when times get hard
You should just up and walk away
Reality is here to stay, yes, it is
Don't throw your life away
(Don't throw your life away)

We live in a world full of promise
The sun shine upon us and dreams can come true
For me and you

Don't give-up believing, no, no, no, no, in yourself
To live is your pride, yes, it is and you know
Don't give-up the fight, don't throw your life away
Don't throw it away, no, don't throw your life away
