

# One Song

Tevin Campbell

If we all sing one song  
One song of love  
One song of peace  
One song to make all our troubles cease

One hymn, one theme, one hope, one dream  
Imagine what tomorrow would bring  
If we all sing one song  
If we all learn the words

Just think how great the song would be  
And since the song is in freedom's key  
One voice you'd hear, so pure, so clear  
Imagine what tomorrow would bring

If we all sing one song  
There's just one sun that warms our day  
The same moon and stars light our way  
This little ball whirling in space

It's our only home, our only place  
If we all sing one song  
One song of love  
One song of peace  
One song to make all our troubles cease

Imagine what tomorrow would bring  
If we all sing one song  
If we all sing one song

One song of love  
One song of peace  
One song to make all our troubles cease  
Imagine what tomorrow would bring

Just imagine what tomorrow would bring  
Just imagine what tomorrow would bring  
If we all sing  
If we all sing  
One Song!
