## **Jealous Heart**

Jealous heart, oh jealous heart, stop beating Can't you see the damage you have done? You have driven her away, forever Jealous heart, now I'm the lonely one

I was part of everything she planned for And I know she loved me at the start Now she hates the sight of all I stand for All because of you, oh jealous heart

Jealous heart, why did I let you rule me When I knew the end would bring me pain Now she's gone, she's gone and found another Oh, I'll never see my love again

Through the years here memory will haunt me Even though we're many miles apart It's so hard to know she'll never want me 'Cause she heard your beating jealous heart

Many times I trusted you to guide me But your guiding only brought me tears Why, oh why, must I have you inside me Jealous heart for all my lonely years
