

You are you and I am I.  
I do my thing and you do yours.  
I am not in this world to live up to your expectations.  
And you are not in this world to live up to mine.  
You say life is hard,  
I say compared to what?  
You should love this life, no matter what.  
You should love this life, no matter what.  
I'm opposed to back bitters.  
Oh how powerless I am.  
But if you offered me the position how dangerous it could be.  
You have double dealt your way to this seat,  
Sweating grief in hells master suite.
