Texas in July

We paint the city skylines gold  
With all the memories that we hold.  
Made with friends as close as blood  
But nothing will change the fact  
That this is home.

Its had its ups and downs  
And turnarounds but we will never regret  
The ways we've changed for better for worse.  
I am who I am and I'm proud of the progress,  
That I've made.

For every joy something beautiful still remains

We wont remember the days, just the moments we made  
It's such an amazing feeling to close our eyes, and reminisce a  
while.

A friend is one who takes me for who I am.
