

# Don't You Want Me

Texas

You were working as a waiter in a topless bar  
When I met you  
I picked you out, I shook you up, and turned you around  
Turned you into someone new  
Now five years later on you've got the world at your feet  
Success has been so easy for you  
But don't forget it's me who put you where you are now  
And I can put you back down too  
Don't, don't you want me?  
I know you don't believe it when I hear that you won't see me  
Don't, don't you want me?  
I know I can't believe you when I hear that you don't need me  
It's much too late to find  
You think you've changed your mind  
You'd better change it back or we will both be sorry  
Don't you want me baby? Don't you want me oh  
Don't you want me baby? Don't you want me oh

I was working as a waiter in a topless bar  
That much is true  
But even then I knew I'd find a much better place  
Either with or without you  
The five years we have had have been such good times  
I still love you  
But now I think it's time I lived my life on my own  
I guess it's just what I must do  
Don't, don't you want me?  
I know you can't believe it when I hear that you won't see me  
Don't, don't you want me?  
I know I don't believe you when I hear that you don't need me  
It's much too late to find  
You think you've changed your mind  
You'd better change it back or we will both be sorry  
Don't you want me baby? Don't you want me oh  
Don't you want me baby? Don't you want me oh  
Don't you want me baby? Don't you want me oh
