

## Great Romances

Texas

I know at time you said you'd always love me  
You didn't want me, you didn't want me  
I know at time you told me that you love me, yeah  
I know at time you said you'd always need me  
But you deceived me like it was easy  
I know at time you said you'd always need me, yeah

Reach out, we can make it if we want to  
All I want is for me and you  
One of those great romances

I'm stood in line and my thinking ain't over  
Could this be over, it's getting colder  
I'm stood in line and you ain't getting over me  
A sadness in my heart I thought would be forever  
We're not together, that's not forever  
A sadness in my heart in fact would be together, yeah

Reach out, we can make it if we want to  
All I want is for me and you  
One of those great romances  
Waiting, take a chance, just don't you leave me  
In fact the answer's we can be  
One of those romances

In the morning, if you're with me  
Will you forgive me  
If things ain't right  
Stay off tonight

Reach out, we can make it if we want to  
All I want is for me and you  
One of those great romances  
Waiting, take a chance, just don't you leave me  
In fact the answer's we can be  
One of those romances

Reach out, we can make it if we want to  
All I want is for me and you  
One of those great romances  
Waiting, take a chance, just don't you leave me  
In fact the answer's we can be  
One of those romances
