

# Hearts Are Made to Stray

Texas

Stop...  
These hearts are made to stray  
I've seen it all before  
And I'm worried 'bout you, I'm worried 'bout you

Why are you so afraid?  
The wolves are at your door  
Well I'm coming for you, I'm coming for you

I'll tell you something  
Don't you worry about them  
You don't ever have to fall  
You don't ever have to fall in love

Don't tell me it's too late  
I'm fighting for you babe  
I know you want to fight for me to stay  
Than cry your life away  
When you can see it through  
I'm coming for you, I'm coming for you

I'll tell you something  
Don't you worry about them  
You don't ever have to fall  
You don't ever have to fall...

Stop...  
These hearts are made to stray  
I'm running for you babe  
I'm coming for you, I'm coming for you

I'll tell you something  
Don't you worry about them  
You don't ever have to fall  
You don't ever have to fall...
