

Say Hello

Texas

I can never get by without saying hello
And I will never pass you by
I'm never letting go with a simple goodbye
'Cause I will never let you go
And I will love you
And I will hold you
I know that you care when I walk on by
But then you're nervous yeah I know
I know that you care if I laugh or cry
Don't be nervous let it show
But I will love you
And I wanna touch you
Aah
Aah
Aah
I know that you care when I walk on by
But then you're nervous yeah I know
I know that you care if I laugh or cry
No don't be nervous let it show
But I will love you
And I will hold you
People don't care people stare
And people wonder why you're with me now
But then baby, then baby
People don't care if you walk on by
People don't care if they see you cry
They're lazy, they're lazy
But I will love you
And I will hold you
And I wanna touch you
Yeah I will love you
Aah
