Teyana Taylor

[Verse 1:]

Ain't nobody hotter than me broads wish they was me (huh)

But I'm cooler than your jewels
I am a bigshot

Explore like safari
You know where ya girl be.
If you wanna find me.
Baby you can google me.

[Chorus:]

You ain't even gotta ask nobody bout me.
I'm certified on the internet read about it
If you looking for me
Go and pull it up
Cause I'm a celebrity
I know you done heard of me.
You ain't even got a clue but it's so true.
They flashing them cameras
Cause baby I'm the new, new.
So if you looking for me go and pull it up
Cause I'm a celebrity
