Really Got It Bad

Teyana Taylor

Everytime I see you i can't think what to say.
Cause you got me blushin' when you pass my way
Everytime I see you i can't think what to say.
Cause you got me blushin' when you pass my way.
Everytime I see you i can't think what to say.
Cause you got me blushin' when you pass my way.
My friends say i'm frontin cause I don't want to speak to you.
But I know that's not true.
(chorus)
Cause I-really got it bad for you baby.
Boy you know I got it bad-
cause all I do is think about you baby.
Cause I think about you yeah-
I know i might sound confused baby.
i'm feeling so confused yeah-And all i really want is you baby.
i just want you to know-when youre not here
when youre not here baby-all i do i think of you
all i do all i do is think of you.
when im alone all i do is think of you.
So another day passes by and i still haven't told you how i fee
l-cause them chicks be in your face.
all them other girls may sweat your style but thats not how i g
et down.
so i'll wait for you to come around.
really got it bad for you baby. i really got it bad yeah.
Cause all i do is think about you baby. i think about you baby.
 i know i might sound confused baby. confused yeah. but all i r
eally want is you baby. all i really want is you-
when you're not here all i do is think of you.
when i'm alone all i do is think of you.
(reprise)
time after time i try to tell myself why. Can't i jus talk to y
ou and get it over with. my pride is just so high and i get so
shy around you. and i dont know what to do.
really got it bad for you baby. cause all i do is think about y
ou baby. i need to tell you tell you how i feel. i know i might
 sound confused baby. confused-but all i really want is you bab
y. im so into you-when you're not here all i do is think of you
. when im alone all i do is think of you. of you of you...
