

LL Cool J Skit

Tha Alkaholiks

Yo whassup whassup yo?
Yo we got, we got Cool J in the house
And you know, Ladies Love Cool James
So yo yo yo yo, ay man
What do you suggest I drink when I'm just chillin' with a girl
and I want to get her open?

Ha ha hah ha, yes!
I know you know!

You probably want to smooth her smooth out with like some ah
but first of all you gotta understand on the Alkaholik level
they, they don't want to get Absolut-ed out
and hit they head on the headboard but that's another level
So we'll go ahead, umm
You want to hit em the chillest mango tangerine flavor fruity b
everage
Smooth em out, real silky, knahmean?
Cranberry, yo some cranberry orange juice
That's all you need
'Cause your game gonna finish the rest (with a little gin)
We got you, knahmean? You the gin man (yeah, yeah I got you)
Do your thing
You want to get some goosepimples, it's all good (and it's like
that)
Aaight?
