Tha Dogg Pound

Ladies and Gentelmen
Yeah ya, this is a jazzy-fizzle product-shizzle.
DPGC

Yeah, she likes that
Bust a nut up in her face
Yeah, she likes that
Yeah she likes the way it taste
Yeah, she likes that
We gon' get together n' throw a party on that pussy!

You see she want it all tha time.
Can't stop her from attackin' it
Professional bitch
She loves me when I'm slappin' it
Pussy so wet, no kotex
She wispered in my ear said how much she loves sex

Yeah, I seen you do that dance
The way you fit ya pants
The way she likes to stand
My dick inside her hand
She got pretty brown eyes
She's a lawyer
Real thick thighs
So I threw the vibe on her

Tell me if I'm dreamin
If so don't wake me up
I like the special feelin
when I get my dick sucked
When that tounge hit that vain
Take away the strain
Put it in ya mouth
Girl why dontcha do ya thang

2 AM
throw a party on that pussy
do it all again
throw a party on that pussy
See, you like a pussy
All the phsyco pussy
all types of pussy
I had some biker pussy

Yeah, she likes that
Bust a nut up in her face
Yeah, she likes that
Yeah she likes the way it taste
Yeah, she likes that
We gon' get together n' throw a party on that pussy!

I said me too
Girl go for broke
Put it in ya mouth
Woncha deep throat?
That D. I. C.

That dick!
Realize baby girls a nasty bitch

P. U. S. S. Y.
Pussy, pussy. pussy
See, you like a pussy
All the phsyco pussy

I bring the life to pussy

I said yeah she like that
Don't fight that
Whip it in ya mouth
Lil' bitch come and bite that
Chewed it off, gobbled and swallowed it
Turn around, shake that ass
Baby girl wobble it

I see ya lil pretty thong you got on
I know why you keep tryna show my ya phone
I know what's gonna happen if you get close
And what might crack if we behind close doors
