

Baby, I'm In Love

Thalía

Baby I'm in love
Baby I'm in love

Ah, don't be checking me
Baby I ain't free
Maybe on my own but
I'm not alone
I got, I got a good thing
Doesn't really matter boy what you have
I don't need no rock to be off the block
No more tears you bring, gonna change a thing
What we have is so real
You don't need to prove to me how he feels

Cuz I'm in too deep
To blow a good thing
And one nice mischief
Could cost me everything thing I want

Cuz baby I'm in love with the one I'm with
Sorry if you don't approve
I've got plans with the one I'm with
They're a lifetime of being true
Baby in a different place of time
Baby that I might've changed my mind
But it's like this
Baby I'm in love with the one I'm with

I'm in love I'm in love
I'm in love I'm in love

It's the cheapest talk and the foolish walk
To be running games, and be hiding things
Behind the one you loves back
Don't be doing him, run like that
Yes it's flattering that you're feeling me
But I got to say that it's all for me
There's nothing that I will do (nothing I will do)
To run the risk of losing him over you

Cuz I'm in too deep
To blow a good thing
And one nice mischief
Could cost me everything thing I want

Cuz baby I'm in love with the one I'm with
Sorry if you don't approve
I've got plans with the one I'm with
They're a lifetime of being true
Baby in a different place of time
Baby that I might've changed my mind
But it's like this
Baby I'm in love with the one I'm with

I'm in love I'm in love
I'm in love I'm in love

Cuz my heart
Is taken by the one
That I got
And I am going to prove
That you can trust someone
The one you love

Cuz baby I'm in love with the one I'm with
Sorry if you don't approve
I've got plans with the one I'm with
They're a lifetime of being true
Baby in a different place of time
Baby that I might've changed my mind
But it's like this
Baby I'm in love with the one I'm with

Oh baby I'm in love with the one I'm with

I'm in love
I'm in love
I'm in love
I'm in love
