

# Dance Dance (The Mexican)

Thalía

Something's got control of me  
Feels like I'm in a trance  
Electricity runs through me  
Makes me wanna dance  
Take me in your arms  
'Cause I wanna dance all night with you  
When you move I feel your magic running through me  
I grow helpless as we dance the night away

Dance, dance  
I can't control it  
You're making me really want it  
The way you move to the rhythm  
It's taking over me  
You dance  
Dance  
I want you badly  
I'm in a trance  
Come and help me  
'Cause I can't stop going crazy  
Just satisfy me, baby  
Dance, dance

Hypnotizing rhythms make me move  
At your command  
I can be your slave  
And dance all night if you demand  
You make me lose my mind  
And I can't take it any longer  
I feel the power that you have  
It's getting stronger  
Baby, let's dance the whole night away

Dance, dance  
I can't control it  
You're making me really want it  
The way you move to the rhythm  
It's taking over me  
You dance  
Dance  
I want you badly  
I'm in a trance  
Come and help me  
'Cause I can't stop going crazy  
Just satisfy me, baby  
Dance, dance

You totally control  
Every part of me  
Don't you know what kind of vibe  
You're sending to me?  
Dance
