

Seduction

Thalía

I can't help all my feelings of temptation
Every time you touch me
The way that you provoke me
I run away just gotta get away
Your kiss is pure seduction
Your love is my addiction

Can't go back but I gotta let go
Your powerful desire
Has set my soul on fire
This world keeps turning
My heart keeps yearning
It's beating like a drum roll
You make me want to lose control

My heart keeps racing
It won't slow down
I'm starting to get weak
And I don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
Cause all I do is think of you

My heart keeps racing
It won't slow down
I'm starting to get weak
And I don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
Cause all I do is think of you

Your seduction's a dangerous potion
Spreads like wild fire
All over every inch of me
There's no defense
Your love is too intense
I feel it in my body
You always keep on haunting me

Your seduction's a dangerous potion
Spreads like wild fire
All over every inch of me
There's no defense
Your love is too intense
I can feel it your seduction

My heart keeps racing
It won't slow down
I'm starting to get weak
And I don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
Cause all I do is think of you

My heart keeps racing
It won't slow down
I'm starting to get weak
And I don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
Cause all I do is think of you

Can't you see what your love is doing to me
I can't breath, I can't sleep I don't know what to do
You took my heart and my soul
Got no choice
I'm so in love with you
I think I'm losing my mind

Your seduction's a dangerous potion
Spreads like wild fire
All over every inch of me
There's no defense
Your love is too intense
I can feel it in my body
You always keep on haunting me

My heart keeps racing
It won't slow down
I'm starting to get weak
And I don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
Cause all I do is think of you

My heart keeps racing
It won't slow down
I'm starting to get weak
And I don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
Cause all I do is think of you

My heart keeps racing
It won't slow down
I'm starting to get weak
And I don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind
Cause all I do is think of you

My heart keeps racing
It won't slow down
I'm starting to get weak
And I don't think I can take no more
Can't think straight
And I don't know what to do
I'm gonna lose my mind.....
