

# The Mexican 2002

Thalía

Something's got control of me, feels like I'm in a trance  
Electricity runs through me and makes me wanna dance

Take me in your arms  
Cause I wanna dance all night with you  
When you move I feel your magic running through me  
I go helpless as we dance the night away  
Oh oh oh oh, dance

Dance, dance, I can't control it  
You're making me really want it  
The way you move to the rhythm  
It's taking over me and you

Dance, dance, I want you badly  
I'm in a trance, come and have me  
Cause I can't stop going crazy  
Just satisfy me baby, dance

Hypnotizing rhythms make me move at your command  
I can be your slave and dance all night if you demand

You make me loose my mind  
And I can't take it any longer  
I feel the power that you have is getting stronger  
Baby, let's dance the whole night away  
Oh oh oh oh, dance

Dance, dance, I can't control it  
You're making me really want it  
The way you move to the rhythm  
It's taking over me and you

Dance, dance, I want you badly  
I'm in a trance, come and have me  
Cause I can't stop going crazy  
Just satisfy me baby, dance

Oh, oh, you totally control  
Every part of me  
Don't you know what kind of vibe you're sending to me  
Dance, dance

Dance, dance, I can't control it  
You're making me really want it  
The way you move to the rhythm  
It's taking over me and you

Dance, dance, I want you badly  
I'm in a trance, come and have me  
Cause I can't stop going crazy  
Just satisfy me baby, dance

Dance, dance
