

Kill All The Nazis And Then You Can Keep On Fucking My Mom

Thalidomide

Fight them all!

My hymn is what I would like to sing for you
with the greatest effort.
Forgive me while I'm in helpless grief
that only fucking hoarseness remained from my voice.

This one I would like to sing for you.
This one I would like to read for you.
Forgive me that dreadful hate
permeates & corrodes my page.

Don't call me white!

Well, kill the nazis. All of them, fight them!
And then you can keep on fucking my mother.

Freak show, it's just a freak show.

The Earth as a star wants to flow straight ahead away
See as an ugly brownish ulcer festers in her face
Sun fades away with shame
Escapes from places full of hate,
Escapes from places full of torment and agony
But after with its intensity, aims it's bow on everything living

Don't call me straight!

Well, kill the nazis. All of them, fight them!
And then you can keep on fucking my mother.

Spacecase, you're only a spacecase.

Why can't we kill all those racists bastards?
Why can't we shoot their ignorant asses?
Throw a fucking bomb right into the middle of their hate rally?
It is for the best when racism, nationalism and capitalism die.

In context I think about your hockey temper tantrum.
A fit of fake Czech nationality.
That wasn't your success, but success of 20 experts in the given thing
whose property equals your whole gross domestic product.

With a resign of their title, they try the power of the crowd.
To offend the police truck, the pigs inside will understand.
Well, they're people too, even they don't look like it.
Police uniform or hockey shirt - the same bullshit.
Yeah, Czechs they do live in paradise!

Why can't we kill all those racists bastards?
Why can't we shoot their ignorant asses?
Czechs they do live in paradise!

Don't call me Czech!

Breakdown, it's just a breakdown.
