

## Cowboy Hat

that dog.

i picked a cookie from the wrong batch  
i found an egg unable to hatch  
i started a fire but i could not find a match  
cause you wore a cowboy hat  
in the middle of the highway  
a cowboy hat  
fears flying everywhere  
a cowboy hat  
and your middle finger pointed at me

i saw a goldfish swimming downstream  
i picked an orange from the wrong tree  
you're the most valuable player, but i've chosen the wrong team

cause you wore a cowboy hat  
in the middle of the highway  
a cowboy hat  
fears flying everywhere  
a cowboy hat  
and your middle finger pointed at me

cause you wore a cowboy hat  
in the middle of the highway  
a cowboy hat  
fears flying everywhere  
a cowboy hat  
and your middle fingers pointed at me  
a cowboy hat  
lying in the desert  
a cowboy hat  
soaking in the gutter  
a cowboy hat  
and your middle fingers pointed at me
