Gagged & Tied

i'd like to take you home so that we can be alone. we'll go for a walk then we'll go home not to talk. and i don't care if you don't treat me like a lady. and i don't care just sit there and don't disobey me. mistress never tells a lie would you love me gagged and tied it's not your style, i can see you crack a smile.

it's okay with me
i just want the company.
put on venus in furs
and you can go home after work.

and i don't care if you don't treat me like a lady and i don't care just sit there and don't disobey me don't treat me like a lady mistress never tells a lie, would you love me gagged and tied it's not your style, i can see you crack a smile.

would you love me gagged and tied would you love me gagged and tied would you love me gagged and tied would you love me gagged and tied

mistress never tells a lie would you love me gagged and tied mistress never tells a lie it's not your style, i can see you crack a smile it's not your style, i can see you crack a smile.

that dog.
