

## Hawthorne

that dog.

Driving  
Looking for your parents house  
Striving  
To find a piece of you  
And I saw a punk rock show  
In a car garage  
And I saw you.  
Trying  
To be strong for you and myself  
I was dying  
To get a piece of this  
And I saw a punk rock show  
In a car garage  
And I saw you as a child  
Visiting while  
I saw you.

And I saw a punk rock show  
In a car garage  
And I saw you as a child visiting while  
I saw a punk rock show  
In a car garage  
And I saw you.  
A dream come true (I saw)  
A dream come true (I saw)  
A dream come true (I saw)  
A dream come true (and I saw you)  
My dream come true.
