

Warrior's Heart

Thaurorod

I will tell you a story
about a man with a will to fight
A warrior - no fear or weakness
in his mind
From battle to battle
he carried his armour with pride
The glory was there
when he raised his arms after fights

But once there was more
in that warrior's heart
Maybe after all
years left too many scars

The wind was with him
when he sailed
with stars through the seas
Coast to coast
he left only sadness and tears

But once there was more
in that warrior's heart ...oh Lord

So many oceans
He sailed all alone
To unknown...
Once he had ...A heart to share
But though he was so all alone
with his swords and bows
Through the seas he sailed all alone

So many oceans
He sailed all alone
To unknown...
Once he had ...A heart to share
But though he was so all alone
with his swords and bows
Through the seas he sailed all alone

So alone... with his swords and bows
So alone... He sailed so alone...
