

I got on a plane in the middle of the night, don't you mind?
I nearly killed somebody, don't you mind, don't you mind?
I gave you something you can never give back, don't you mind?
You've seen your face like a heart attack, don't you mind, don't
t you mind?

I was late, but I arrived.
I'm sorry but I'd rather be getting high than watching the fami
ly die.
Exaggerate and you and I.
Oh I think I did something terrible to your body, don't you min
d?

I put your mother through hell, don't you mind?
I hurt your brother as well, don't you mind, don't you mind?
Oh I was thinking about killing myself, don't you mind?
I love you, don't you mind, don't you mind?

I put your mother through hell, don't you mind?
I hurt your brother as well, don't you mind, don't you mind?
Oh I was thinking bout killing myself, don't you mind?
I love you, don't you mind, don't you mind?
