

## She Lays Down

The 1975

And she lays down on her bedroom floor  
The chemicals that make her laugh  
Don't seem to be working anymore  
She tries her best, but it hurts her chest  
And even though her son is gone  
She'd like to love her child nevertheless

My hair is brown, she's scared to touch  
And she just wants to feel something  
And I don't think that's asking for too much  
And when I go to sleep it's when she begins to weep

She's appalled by not loving me at all  
She wears a frown and dressing gown  
When she lays down

Well we got a plane, going to see my dad again  
She prayed that we fell from the sky  
Simply to alleviate the pain  
Over the water, hmm  
Over terrain  
The engines all go bust, we turned to dust  
And I've no reason to complain, yeah  
And in the end, she chose cocaine  
But it couldn't fix her brain

She's appalled oh she doesn't love me at all  
She wears a frown and dressing gown  
When she lays down

That was it
