

# Jealousy

## The 4-Skins

Jealousy, Jealousy, look what it's done to me  
Jealousy, Jealousy, I'm not like I used to be

I don't know what's happening to me  
I'm not who I used to be  
I only know I'm the best  
A cut above all the rest

Jealousy, Jealousy, look what it's done to me  
Jealousy, Jealousy, I'm not like I used to be

Friends all say my name with hate  
Didn't mean they shut the gate  
All I know is what's to come  
I know I'm gonna be number one

Jealousy, Jealousy, look what it's done to me  
Jealousy, Jealousy, I'm not like I used to be

[Guitar Solo]

Jealousy, Jealousy, look what it's done to me  
Jealousy, Jealousy, I'm not like I used to be

I can't listen to what you say  
Now's the beginning of my day  
A baby's cry, now raise your glass  
Just how long will the power last

Jealousy, Jealousy, look what it's done to me  
Jealousy, Jealousy, I'm not like I used to be

People turn their backs on me  
They must be blind coz they can't see  
Is it because it's the end of my day?  
Hear my voice, it fades away

Jealousy, Jealousy,  
Jealousy, Jealousy
