

Yesterdays Heroes

The 4-Skins

From the cradle to the grave
always trying to be brave
Show his courage to everyone
From his birth to his death
Gotta prove that he's the best
Done everything thats gotta be done

Cause he's Yesterday's Hero
Yesterday's Hero in every way
Yesterday's Hero
Yesterday's Hero is forgotten today

Wants to try his hand at pop
Have a record at the top
All his records are lots of fun
Concerts city style
They all make you smile
Ain't it all a load of fun?
Cause he's Yesterday's Hero
Yesterday's Hero in every way
Yesterday's Hero
Yesterday's Hero is forgotten today

On Telly every day
Copied in every way
Fans ask for an autograph
Some kind of superman
Photographs for a fan
Don't it all make yer laugh?
Cause he's Yesterday's Hero
Yesterday's Hero in every way
Yesterday's Hero
Yesterday's Hero is forgotten today
