

D.I.D.

The 69 Eyes

Down in dirt
I feel hurt
I got my ass on the line
For nothing but the first time

Shine on shine on shine on
A little light on me
(2x)

Down in dirt
Baby i feel hurt
Gotta get my ass in gear
Save my skin in the clear

Shine on shine on shine on
A little light on me
(2x)

Break my heart free - yeah
