

# I Just Want To Have Something To Do

The 69 Eyes

Hanging out of Second Avenue  
Eating chicken vindaloo  
I just want to be with you  
I just want to have something to do

Tonight, tonight, tonight  
Tonight, tonight, Well alright  
Tonight, tonight, tonight  
Tonight, tonight, tonight  
Wait-Now  
Wait-Now

Hanging out all by myself  
Cause I don't want to be with anybody else  
I just want to be with you  
I just want to have something to do

Tonight, tonight, tonight  
Tonight, tonight, Well alright  
Tonight, tonight, tonight  
Tonight, tonight, tonight  
Wait-Now  
Wait-Now

Hanging out all by myself  
Cause I don't want to be with anybody else  
I just want to be with you  
I just want to have something to do

Tonight, tonight, tonight  
Tonight, tonight, tonight  
Tonight, tonight, tonight  
Tonight, tonight, tonight  
Wait-Now  
Wait-Now
