

# I Know What You Did Last Summer

The 69 Eyes

As the fall turns to rust  
October's lust  
And all those memories gone  
Turn to dust  
It's been so long ago  
Too long for you to know  
Emotions turn to stone  
That's when you're alone

I know what you did

Last Summer  
I know what you did  
Last Summer  
Still know what you did  
Last Summer

Deep in the heart lies the pain  
Down the summer lane  
And all those memories gone  
Still calling your name  
It's been so long ago  
Nobody will ever know  
In the nightmare nowhere to go  
That's when you're alone

I know what you did

Last Summer  
I know what you did  
Last Summer  
Still know what you did  
Last Summer  
I still know...
