

Stop Bitching!

The 69 Eyes

Street hooker switchblade life
cheap wines 'n' high times
a one night stands means love for me
better not try to estrange me
you don't own my soul
I'm a man of my own
Stop bitching
Doncha understand
I do what I want
Stop bitching
Stop bitching

Jersey girls 'n' fats cars
Freakouts 'n' go-go bars
After hours fun I love easy action
I can't lose I know the traction
Don't push me
My spirit is free
Stop bitching
Doncha understand
I do what I want
Stop bitching
Stop bitching
I'm gonna ride my rocket to the moon
Cuz you know sister it feels so good
Stop bitching
