Well I'm truckin' on on a heavy load million miles from home gotta movin' on all night long baby come along to hel

and back like a heart attack best ride you ever had and I'm comin' to you gonna blow your fuse watcha gonna do gotta get high and real loaded gotta get back to the gator sweat blues gotta get high and real loaded livin' on the edge in the dead man's shoes well I'm drivin' amok doggone's my luck but I don't give a fuck and I'm feelin' mean bleedin' gasoline would you lick it clean everybody needs dreams to ride on by but what I need is to see my name shinin' on the neon lights truck on baby
