

When a Love Comes to an End

The 69 Eyes

When a love comes to an end
When a love farewells like a friend
When a love comes to an end
When a love returns the letter sent

Don't run away
Don't turn away
But break away the stone
Don't run away
Don't turn away
But break away the stone

When a love comes to an end
When a love fails to pretend
When a love comes to an end
When a love is not Heaven sent

Don't run away
Don't turn away
But break away the stone
Don't run away
Don't turn away
But break away the stone
