

San Diego Zoo

The 6ths

Met you on a traffic island
We were there all day
In the middle of the world's highway
Summer left its light green lipstick on our faces
Took us to all the pretty places

High 405 will take you from the boom boom room
to interstate 5 which goes right to the San Diego Zoo
San Diego Zoo San Diego Zoo
San Diego Zoo San Diego Zoo
How could i have ever left you?

Left you in a sidewalk cafe
I'm the restless kind
and i must have been out of my mind
cause i haven't slept since wednesday
I've been getting thin
I just want to see your silly grin
