

After Hours

The 88

Honey hide all the light
Go and shut that shade
Outta sight outta mind
Is the game we'll play
It's getting harder to breathe
But tonight we're safe

Cause after hours
When the drunks go separate ways
Starry showers
And we're not boats on different waves
And we'll be like everyone

Well the night is a vine
And we swing so low
That we can spit on the heads
Of the friends we know
It's gonna eat out of me
But if you say so

Cause after hours
With the drunks it all goes away
Starry showers
And we're not boats on different waves
Phony memories
Yeah we both know
But we'll never say
And we'll be like everyone

Cause after hours
When the drunks go separate ways
Starry showers
And we're not boats on different waves
Phony memories
Yeah we both know
But we'll never say
And we'll be like everyone
