After Hours

Honey hide all the light Go and shut that shade Outta sight outta mind Is the game we'll play It's getting harder to breathe But tonight we're safe

Cause after hours When the drunks go separate ways Starry showers And we're not boats on different waves And we'll be like everyone

Well the night is a vine And we swing so low That we can spit on the heads Of the friends we know It's gonna eat out of me But if you say so

Cause after hours With the drunks it all goes away Starry showers And we're not boats on different waves Phony memories Yeah we both know But we'll never say And we'll be like everyone

Cause after hours When the drunks go separate ways Starry showers And we're not boats on different waves Phony memories Yeah we both know But we'll never say And we'll be like everyone
