

## Hard To Be You

The 88

Day two made you  
I could hear the sign  
Fall down way down

I would never lie  
I know it's hard to be you  
Dust and the high that you knew

Giving you hope from the sign  
I know everything's fine  
Give me something I don't ever own

Look down way down  
I can hear the moan  
I know it's hard to be you

Dust and the high that you knew  
Leaving you hope from the sun  
I know everything's fine

Got no life  
Wait for voice to realize my mind  
Break out make out

Everything is mine  
I know it's hard to be me

Drug from the line in the sea  
Doesn't it offer the  
Doesn't it offer the

I know everything's changed
