

## Hate Me

The 88

Thank God you're an open book  
Thank God you're a scam  
Thank God you're a runaway  
Thank God for your man  
I'm giving thanks that you're old enough to hate me  
Thank God you're a throw away  
Thank God for your fans  
Thank God you're cryin meat  
And thank God that you're damned  
I'm giving thanks that you're old enough to hate me  
We could run away  
Thank God for your heaven hook  
Thank God you're a dream  
Thank God for the cancer beat  
Thank God you're a scheme  
I'm giving thanks that you're old enough to hate me  
We could run away
