

Won't Catch Me

The 88

I'll stay down below
Carve out our names in wood
And under stars that glow
I'll be away for good
And if I find the sea
Scratch out our names in sand
And by that ocean deep
I'll be another man
Well I've been stranded in a place called hell
And I've run out of any dreams to sell
But I'd be gone but for the love of thee
But this here heart'll be the death of me
Cause I'll be taking a ride
By the moon I'll escape
Peekin' out of the eyes of the ocean
Far from the trees
I'm out in the world
You know they won't catch me
And if I ran honey would you come
Or will you stay to be another one
Whose mouths are moving but their feet stand still
Who give their lives to what they'd die to kill
Well I'll be taking a ride
By the moon I'll escape
Peekin' out of the eyes of the ocean
Far from the trees
I'm out in the world
You know they won't catch me
I'll be taking a ride
By the moon I'll escape
Baby cast it aside
Peekin' out of the eyes of the ocean
Far from the trees
I'm out in the world
You know they'll never catch me
I'm high as the flaming
Wild white dove
Who's callin' us back
To honey where we're loved
