## The Acacia Strain

I propose a toast to the 21st century, I can't close my eyes at night

I propose a toast to the 21st century, I can't close my eyes at night

Awareness is inevitable, destruction is not preventable
Awareness is inevitable, destruction is not preventable
Bastardization of human life, modernization of efficient life
Cutting the corners, cut the cord
There are no mourners, they cannot mourn
Bloodthirsty, unfeeling, outgunned, outmanned
Situation has far exceeded critical
Out fate was sealed when they flipped the fucking switch
We are all beyond the point of no return
The foreground and background have merged
We are all beyond the point of no return

The foreground and background have merged
