

About a Girl

The Academy Is...

One song about a girl, can't breathe when I'm around her
I wait here everyday in case she scratch the surface
She'll never notice

I'm not in love, this is not my heart
I'm not gonna waste these words about a girl

Last night I knew what to say but you weren't there to hear it
These lines so well rehearsed, tongue-tied and overloaded
You never notice

I'm not in love, this is not my heart
I'm not gonna waste these words about a girl

I'm not in love, this is not your song
I'm not gonna waste these words about a girl

To be loved, to be loved, what more could you ask for?
To be loved, to be loved, everyone wants
To be loved, to be loved, what more could you ask for?
To be loved, to be loved, everyone

I'm not in love, this is not my heart
I'm not gonna waste these words

I'm not in love, this is not my heart
I'm not gonna waste these words about a girl

I'm not in love
(To be loved, to be loved, what more could you ask for?)
This is not your song
(To be loved, to be loved, everyone wants)
I'm not gonna waste these words about a girl
(To be loved, to be loved)
