

After the Last Midtown Show

The Academy Is...

it's a drunken midnight on the streets
brightly dusted with a neon light
we duck behind the corner store
smoke your smokes while I keep a watchful eye
Right Here, right now
I hope before then ight is through
one fumbled touch will finally hit the spot
you've got everything going for you
so I'll go for everything I got.
Right here, the best days of our lives.
is this coincidence or a sign?

(Chours)

Is there anything I missed?
Is there anything I missed?
Tell me if I'm wrong
but why would we change a thing?

when the morning light fights through the cracks
cascading across the bed, and you are mine
when your parnets start to wake for work
between the sheets, I'll keep a watchful eye
right here, the best days of our lives
is this coincidence or a sign?

(Chours)

when we met I was on my back
I swear we spent most afternoons like that
somewhere in the act
we were part of something ours,
and ours alone
anywhere is home
we're almost here again
we're almost here again
we're almost here again
right here, right now
