

# Neighbors

The Academy Is...

I took a step back as the room was filling up  
I was packed against some people who were tossing up a strong vibe  
Now the door's locked  
And the shower's on  
And I realize I don't recognize anyone  
But I don't mind  
Well the neighbors have complained damn near every night  
The neighbors have complained damn near every night

You shoulda shown up  
Shoulda shown up by now  
You shoulda shown up by now  
With a knock at the door  
The knock at the door as it goes  
Whoa...

Well now everybody's losing control!  
Intoxicated circulation  
Just try and sit back, get my palette wet  
Getting mentally prepared for the consequences  
And you know why  
Because that knock at the door  
Calls the crowd to quiet  
The neighbors have complained damn near every night

You shoulda shown up  
Shoulda shown up by now  
You shoulda shown up by now  
Give it a rest, give it a rest, give it a rest  
You shoulda shown up  
Shoulda shown up by now  
You shoulda shown up by now  
With a knock at the door  
The knock at the door as it goes  
Whoa... whoa... whoa... whoa...

There's no one left lying on the second story floorboards  
And I'm sure they heard next door  
But the bottles are hollow now  
And there's room at the bottom  
And I would take it back  
If I could, but I won't!

Sit back, get my palette wet  
Getting mentally prepared for the consequences  
And you know why  
Because the neighbors have complained damn near every night  
The neighbors have complained damn near every night

You shoulda shown up  
Shoulda shown up by now  
You shoulda shown up by now  
Give it a rest, give it a rest, give it a rest  
You shoulda shown up  
Shoulda shown up by now  
You shoulda shown up by now  
With a knock at the door

The knock at the door as it goes  
Whoa... whoa... whoa... whoa...
