

## Paper Chase

The Academy Is...

Please stand by, we've come so far  
These years, we survived the ride that turned us inside out  
Repeat after me, just scream and shout  
"It was the best of times from broken homes and battle scars  
to where we are."

Graduate, paper chase,  
We'll get out of this place  
Don't turn around  
Hit the highway, pour some liquor out for this town  
Now thats all for us, its last call drink up

Roll it out, its over now  
We're the cast-outs with messed up friends who never did fit in  
Don't care where it ends  
It doesn't matter now,  
As long as we're as one, we'll take the next bus  
Destination: Setting sun

Graduate, paper chase,  
We'll get out of this place  
Don't turn around  
Hit the highway, pour some liquor out for this town  
Now thats all for us, its last call drink up

Graduate, paper chase,  
We'll get out of this place  
Don't turn around  
Hit the highway, pour some liquor out for this town  
Now thats all for us, its last call drink up

This is an open invite for all to attend  
Don't ask too many questions now  
Don't tell us how it ends,  
Because we're the ones who wrote the end

Graduate, paper chase,  
We'll get out of this place  
Don't turn around  
Hit the highway, pour some liquor out for this town  
Now thats all for us, its last call drink up
