

Season

The Academy Is...

Wake up, think fast, three weeks have past.
We are changing. No sleep, no gas, no excuses will pass
these lips
Cause we're shaping up to be all you wish you could have been
To write the hits and to turn their heads
And to open eyes(open your eyes)to a brand new season,
A brand new season.

So show me something we haven't heard yet,
But I'm not convinced and your heartless songs won't stick.
But I, I'll sing you something you won't forget
For the first time I know this is now who I am.

Wake up, think fast, three weeks have passed these lips
Cause we're shaping up to be all you wish you could have been
To write the hits and to turn heads(to turn heads,to turn heads
)
And to open eyes(open your eyes)to a brand new season,
A brand new season.

So show me something we haven't heard yet,
But I'm not convinced and your heartless songs won't stick.
But I, I'll sing you something you won't forget
For the first time I know this is now who I am.

You'll see what we mean,
You'll notice when we're gone

So show me something we haven't heard yet,
But I'm not convinced and your heartless songs won't stick.
But I, I'll sing you something you won't forget
For the first time I know this is now who I am.

So show me something we haven't heard yet,
But I'm not convinced and your heartless songs won't stick.
But I, I'll sing you something you won't forget
For the first time I know this is now who I am.
