I am
(I am)
I am Superman
And I know what's happening

I am
(I am)
I am Superman
And I can do anything

You don't really love that guy
You're making with now, do ya?
I know you don't love that guy
'Cause I can see right through ya

And I know what's happening

I am

I am Superman
And I can do anything

If you go a million miles away
I'll track you down girl
Trust me when I say
I know the pathway to your heart

If you go a million miles away
I'll track you down, girl
Trust me when I say
I know the pathway to your heart

I am Superman
And I know what's happening

I am
(I am)
I am Superman
And I can do anything

I am
(I am)
I am Superman
And I know what's happening

I am
(I am)
I am Superman
And I can do anything
