The Academy Is...

I am  
(I am)  
I am Superman  
And I know what's happening

I am  
(I am)  
I am Superman  
And I can do anything

You don't really love that guy  
You're making with now, do ya?  
I know you don't love that guy  
'Cause I can see right through ya

I am  
(I am)  
I am Superman  
And I know what's happening

I am  
(I am)  
I am Superman  
And I can do anything

If you go a million miles away  
I'll track you down girl  
Trust me when I say  
I know the pathway to your heart

If you go a million miles away  
I'll track you down, girl  
Trust me when I say  
I know the pathway to your heart

I am Superman  
And I know what's happening

I am  
(I am)  
I am Superman  
And I can do anything

I am  
(I am)  
I am Superman  
And I know what's happening

I am  
(I am)  
I am Superman  
And I can do anything
