

Bad Boy

The Adicts

My mama told me off
She said i've done her wrong
She said i've been a bad bad boy
She said I make her sad
She said I drive her mad
and now she's takin' all my toys

O-o I've been a bad bad boy
O-o I've been bad

And now she keeps me in
I'm paying for my sin
The door is locked I can't go out
I have apologized
Of how I've really tried
Not to be a bad boy

O-o I've been a bad bad boy
O-o I've been bad

You try to help me out
But all we do is shout
Why should we act this way
My love for you is strong
But I keep doing wrong
I'll always be that bad bad boy
